

## WORK EXPERIENCE

2021–PRESENT

### **Devbridge** Senior Product Designer

Working directly with clients in financial and healthcare sectors to create custom B2B or B2C software. Duties include facilitating ideation workshops, creating high-fidelity clickable prototypes in Figma, conducting user interviews, and attending scrum ceremonies to work closely with developers, project managers, and business analysts to ensure a balance between business needs and technology constraints.

2017–2021

### **Adler Planetarium** Zooniverse Lead Designer

Led UI/UX design efforts for Zooniverse web product, as well as worked with research teams and developers to create custom experiences, designed and facilitated interactive museum exhibits, and coordinated outreach events at Adler Planetarium.

2016

### **Torque Digital** Freelance Web Designer

Designed web experiences for clients in a variety of industries, including real estate, pharmaceutical, and B2C.

2015–2016

### **DigitasLBI** Senior Experience Designer

Designed web and mobile apps for corporate clients such as BP, Whirlpool, and MillerCoors.

2012–2015

### **Vokal** Senior Visual Designer

Designed native iOS and Android apps and web experiences from the ground up on a product design team comprised of UX and UI designers and developers.
